Dr. Tami Williams
Assistant Principal
715-6104

tjwilliams@mpsomaha.org

OR

Mrs. Rachel Witte
BASE Coordinator
rawitte@mpsomaha.org

Funding for BASE: Beadle After School Exploration is provided by the Millard Public Schools Foundation Study Center Grant Program. The Foundation sponsors a study center at each Millard elementary and middle school to help provide a world-class education to our students and students throughout the Millard School District. To learn more, visit the Foundation web site at www.mpsfoundation.org.

Extension Activities...

From 4:00-5:00 each day during BASE, students will be able to participate in extension activities once homework is completed. Some of these activities will include art projects, games, recreational activities in

the gym, attending school sporting events, and our new Reading Plus program. Reading Plus is an optional online reading program. Students will have the opportunity to strengthen skills such as phonemic awareness, phonics, vocabulary,

comprehension, and fluency. To read more about Reading Plus, please visit their website at www.ta-comm/K12/index.html. If you would like your student to participate in Reading Plus, please contact a BASE staff member.

Why BASE...

We have many students who are remaining at school after school hours and are not involved in after school activities. Often times these student are in the Commons Area waiting for rides after 3:15.

Millard Public Schools Foundation has dedicated funds to help defer part of the cost for

all Millard Middle Schools to create an after school program. This may seem familiar to some families, because many of you accessed Kids Network at your elementary schools.

Once again, we are excited to offer BASE to students and parents who need a time later than 3:15 to pick up each day.

BASE is also there to meet the needs of our students who may need study time and students who want to participate in extension activities as something fun and educational after school, within a safe, supervised environment.

Beadle Middle School BASE Student Registration Form
